## Reinvent your bathroom. Rejuvenate yourself.

Transform your bathing experience with a Bowen™ skirted bath. Ideal for home renovations, the Bowen bath makes the most of space with its alcove installation; straight, minimalist design and gently arching interior. A gracefully inclined backrest nestles the bather for a comforting soak.

Available in White, Almond (Bone) and Biscuit, as well as Full Line and High Fashion colours, the Bowen bath features an easy-to-clean, high-gloss surface; moulded-in floor pattern; and chip and mar resistance. The optional System Connects® wallset offers several installation options as well as ample shelf space and handy bars for organizing essentials.

Rounded corners and a sloping back wall provide a comfortable fit and allow ample storage space for bathing essentials.

## HYTEC® — a union of practicality and design

The HYTEC line is valued by contracting and plumbing professionals as well as remodelers for quality, design, function and service. Like every HYTEC product, the new Bowen bath combines rugged materials and shimmering, colourful finishes.
