

Kendale™ Receptor  
new from Hytec

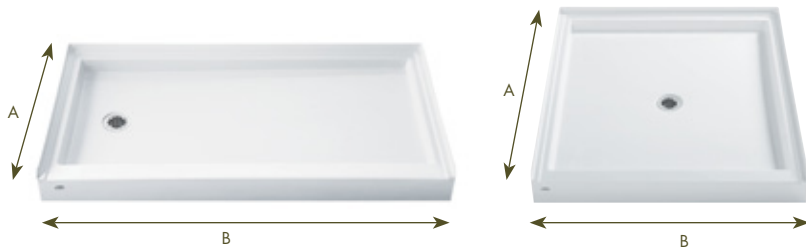

## a solid foundation of style

Rugged materials • Smooth, easy-to-clean finishes  
Simple, quick installation • Affordable • Outstanding service and support

## Beauty from the ground up.

Long before you step into the warm, rejuvenating spray of a new shower, you'll want to begin with a durable, stylish foundation you can count on. The Kendale™ receptor from Hytec delivers a strong, easy-to-clean base for a beautiful shower. Crafted of chip- and mar-resistant acrylic, it features a moulded-in floor pattern and an easy-to-clean high-gloss finish.

## Kendale Receptor

The Kendale receptor is available in an array of sizes and shapes – all offering the same reliable performance and clean, contemporary style. Visit [Hytec.ca](http://Hytec.ca) for complete details on the Kendale line of receptors.

Manufactured from a one-piece acrylic sheet, reinforced with fibreglass, Hytec manufactures acrylic receptors to satisfy every bathroom design or decorating need. Raised tiling flanges allow for professional installation and finishing.

Hytec's longstanding reputation as Western Canada's leading manufacturer of quality bath products is supported with a comprehensive warranty. All acrylic and gelcoat products manufactured by Hytec are covered by a five-year limited warranty from the date of sale to the original owner. All HYTEC bathing fixtures comply with the applicable Canadian Standards.
