

Langston™
Bath and Whirlpool

a comforting spot to
immerse yourself in thought

Rugged, lightweight materials • Smooth, easy-to-clean finishes
Simple, quick installation • Affordable • Outstanding service and support

Beautiful. Comfortable. Sensible.

Each describes the new Langston™ bath from Hytec. A picture of contemporary beauty, the Langston features classic minimalist design, clean lines and brilliant colours. And that beauty extends to its comforts. Deeply inclined ergonomic backrest. Roomy bathing well. Textured floor. Truly a place to soak away the cares of the day. For a good, long time.

Finally, there are the features that just make sense. End drain. One-piece acrylic sheet construction to resist marring, chipping, scratching, stains and mildew. High-gloss finishes that clean easily.

Langston combines it all – beauty, comfort and sensibility – into a single, affordable package.

HYTEC® — a union of practicality and design

The HYTEC line is valued by contracting and plumbing professionals as well as weekend remodelers for quality, design, function and service. Like every HYTEC product, the new Langston bath combines rugged, lightweight materials and shimmering, colourful finishes, including KOHLER High Fashion and Full Line colours. The list of comfort and convenience options includes flush-mount, self-rimming and undermount installations and a number of enhanced bathing options.

Langston models are available with the following enhanced bathing options:

AC3617, AC3618L/R and AC3620L/R

PE: Enhanced whirlpool

PEH: Enhanced whirlpool with in-line heater

PECE: Enhanced whirlpool with chromatherapy
