## Perhaps the ultimate convergence of style and substance

The Wellbrook™ bath blends relaxing comfort and high design with rugged practicality and attractive pricing.

With a generous 60" x 32" x 22" bathing well, the bath features a gently inclined backrest and is characterised by clean, classic lines. Fibreglass-reinforced acrylic construction ensures scratch, stain and chip resistance year after year.

Yet despite this long list of qualities, Wellbrook baths are priced competitively, making them the ideal solution for professionals and remodelers alike.

### HYTEC® — a union of practicality and design
